

Lonely Streets

Jimmy Cliff

D **C**
I walk the lonely streets

Em
I walk the lonely streets

D **C**
I walk the lonely streets

Em
I walk the lonely streets

G
There was no love,

D **Em**
No, no love to be found

G
There was no love,

D **Em**
No, no love to be found

D **Em**
Evening comes

D **Em**
Sun sinks low

D **Em**
Shadows tell

D
That it s time

Em
To go

D **Em**
Mystic smiles

D **Em**
On faces wide

D **Em**
Comic styles

D
But their faces

Em
Don t glow

D **C**
I walk the lonely streets

Em
I walk the lonely streets

D **C**
I walk the lonely streets

Em
I walk the lonely streets

G
There was no love,

D **Em**
 No, no love to be found
G
 There was no love,
D **Em**
 No, no love to be found
D **Em**
 Wandering child
D **Em**
 Searching for
D **Em**
 Directions
D **Em**
 That images don t show
D **Em**
 It s a sin
D **Em**
 Beckoning
D **Em**
 For the love
D
 That they need
Em
 To know
D **C**
 As I walk the lonely streets
Em
 I walk the lonely streets
D **C**
 I walk the lonely streets
Em
 I walk the lonely streets
G **D** **Em**
 There was no loooooooooooooove
G **D** **Em**
 There was no loooooooooooooove to be found
D **C**
 I walk the lonely streets
Em
 I walk the lonely streets
D **C**
 I walk the lonely streets
Em
 I walk the lonely streets
D
 Lonely streets
C
 They don t reason with me,
Em
 They don t talk
D **C**
 They don t reason, they don t talk
Em?.

They don t talk

They don t talk

Oh, no, lonely streets

Oh, no, only lonely streets
