

The Love I Need  
Jimmy Cliff

Am G  
You know I can t get  
Am G  
I say I can t get  
Am G  
You know I can t get  
Am  
The love I need  
Am  
The love I need  
C G  
Maybe I m just wasting time  
Am Em  
Trying to get a fish on a line  
F Am G  
Anyway, I m a man, so I got to try  
C G  
Maybe I m just hard to please  
Am Em  
But then again, it s just my needs  
F Am G  
Maybe it s just the way that I am high  
Am G  
Because I can t get  
Am G  
No, no, I can t get  
Am G  
You know I can t get  
Am  
The love I need  
Am  
The love I need  
C G  
I know that it s love it takes  
Am Em  
To keep this man in me awake  
F Am G  
And I find it hard to compromise  
C G  
There s no mountain hard to climb  
Am Em  
When I got the love I need full time  
F Am G  
To keep me satisfied and it s just my size  
Am G  
Therefore I can t get  
Am G
