

**Always Be
Jimmy Eat World**

Verse 1 (intro same chords)

F **Dm**
Could have been a night like any other

Bb
One of us has to drive, once of us gets to think

F **Dm**
I ll force a laugh to break the silence

Bb
It s going to get harder still before it gets easy

PreChorus

C **Dm** **Bb**
You can t keep safe what wants to break

Refrão -----

F **Dm**
I m alone in this

Bb
I ma as I ve always been

C

Right behind what s happening
She s lost in this
She s like she ll always be
A little far for me to reach -----

Verse 2 (same chords as V1)

I was just a boy like every other
Thought I was something fierce
I thought I was ten times smarter
Love would be something that I d just know
How are you going to know the feeling
Until you ve lost it?

I ve been losing plenty since..

Chorus

Bridge

C **Dm** **Bb**
Maybe something else I m missing
Something good and you re the reason
It s a dream but there s a real world waiting

Chorus
