And I know Iâ€™m all alone  
Say your name slowly  
And I know that Iâ€™m alone  
But Iâ€™ll carry you

Does it feel good like a memory  
When you try some history  
Itâ€™s a dream to come around  
But who doesnâ€™t then,  
Because the taste doesnâ€™t taste the same again

Itâ€™s easy feeling righteous when youâ€™re new  
All youâ€™ll get is what you wanna hear  
It hurts because it should  
How else am I to make it clear?

I could never be the one that you want, donâ€™t ask.  
Well, hereâ€™s to living in the moment  
â€™Cause it passed.

Maybe your life is what I need sometimes  
You took the most and best of anyone  
You said to â€œkeep me in your pocketâ€•  
So I carried you

You better choose your words carefully  
Because Iâ€™m not your anything  
Gonna stay here in my place  
And youâ€™ll stay in yours because  
Your only good is what youâ€™re good for

I pace around the room to spend the time  
Waiting while the burning pictures fade

Want a thing to make you mine  
And another to say it's fine

I could never be the one that you want, don't ask.  
Well, here's to living in the moment  
'Cause it passed, it passed.

I'm still carrying a little hope that  
Maybe things could get different now  
Is that so wrong, is that so wrong, is that so wrong?

Would I see you tonight  
At a place we go?  
I wanna make things right  
Before time runs out.  
Roll down the windows  
Like you know they're coming  
Slap my face just to feel, to feel you there again

I could never be the one that you want, don't ask.  
Well, here's to living in the moment  
'Cause it passed.

I could never be the one that you want, don't ask.  
Yeah, here's to living in the moment  
'Cause it passed.  
'Cause it passed, it passed, it passed.
