And I know Iâ€™m all alone
Say your name slowly
And I know that Iâ€™m alone
But Iâ€™ll carry you

Does it feel good like a memory
When you try some history
Itâ€™s a dream to come around
But who doesnâ€™t then,
Because the taste doesnâ€™t taste the same again

Itâ€™s easy feeling righteous when youâ€™re new
All youâ€™ll get is what you wanna hear
It hurts because it should
How else am I to make it clear?

I could never be the one that you want, donâ€™t ask.
Well, hereâ€™s to living in the moment
â€™Cause it passed.

Maybe your life is what I need sometimes
You took the most and best of anyone
You said to â€œkeep me in your pocketâ€•
So I carried you

You better choose your words carefully
Because Iâ€™m not your anything
Gonna stay here in my place
And youâ€™ll stay in yours because
Your only good is what youâ€™re good for

I pace around the room to spend the time
Waiting while the burning pictures fade

Want a thing to make you mine
And another to say it's fine

I could never be the one that you want, don't ask.
Well, here's to living in the moment
'Cause it passed, it passed.

I'm still carrying a little hope that
Maybe things could get different now
Is that so wrong, is that so wrong, is that so wrong?

Would I see you tonight
At a place we go?
I wanna make things right
Before time runs out.
Roll down the windows
Like you know they're coming
Slap my face just to feel, to feel you there again

I could never be the one that you want, don't ask.
Well, here's to living in the moment
'Cause it passed.

I could never be the one that you want, don't ask.
Yeah, here's to living in the moment
'Cause it passed.
'Cause it passed, it passed, it passed.
