Difficulty: Novice
Capo: Yes, on 1st

This is my first creation ever, I hope you like it. Have fun playing the song, it's one of my favorites. Oh, and feel free to contact me if you have any suggestions.

Note: You can play D instead of Dsus4 in the Chorus, it also sounds pretty correct. You should also listen carefully to the song, to get a feeling for strumming.

Capo on 1st.
