

I Will Steal You Back
Jimmy Eat World

G **Em**
When you pull me in sometimes I almost feel
Bm **A**
The picture in my head is just too real
G **Em**
It s gunna be how it is, there s some things you don t change
Bm **A**
I m done with telling myself that story

[Chorus]

G
How slowly we built the walls
Em
Years they pile up
Bm **A**
I will steal you back
G
Funny how the smallest lie
Em
Might live a million times
Bm **A**
I will steal you back

[Verse]

G **Em**
Here we go, here we go, we ll take on so much pain
Bm **A**
To feel secure, not feel anything
G **Em**
I only pick a fight I m sure to lose
Bm **A**
So how can I not hold my hope for you

[Chorus]

G
How slowly we built the walls
Em
Years they pile up
Bm **A**
I will steal you back
G
Funny how the smallest lie
Em
Might live a million times
Bm **A**
I will steal you back
