

## Invented

### Jimmy Eat World

Jimmy Eat World - Invented

In the original, the guitar is dropped D (as many others) But You can play it like that:

Standard Tuning

[Intro]

Dsus2, G, Em7, G

**Dsus2 G Em7**  
When I first came to see you  
**G Dsus2**  
I called it Houston street (like the city)  
**G Em7 G**  
Could we meet? Show me all the things you see?  
**Dsus2 G**  
I m one more here  
**Em7 G**  
Some old-timer pioneer  
**Dsus2 G**  
Who believes with shaken faith  
**Em7 G**  
I still have some cool

**Bm A G**  
I could leave you here with your people  
**Bm A G**  
If I m a flag you d not prefer to wave

[Chorus]

**Dsus2 Em7 G**  
You re always in my head  
**Dsus2 Em7 G**  
You re just what I wanted  
**Dsus2 Em7 G**  
I live in constant debt  
**Dsus2 Em7 G**  
To feel you, invented

**Bm A G [x2]**

**Dsus2 G Em7**  
When I first came to LA  
**G Dsus2**  
I met you the old fashioned way  
**G**  
Too drunk

**Em7**                    **G**  
 And even worse, much too lonely  
**Dsus2**                    **G**  
 I ll leave it there  
**Em7**                    **G**  
 A busted homesteader  
**Dsus2**                    **G**  
 Who believes in virgin grace  
**Em7**                    **G**  
 Somehow I ll stay proud  
**Bm**                    **A**                    **G**  
 Any dick can roll up in a suit  
**Bm**                    **A**                    **G**  
 But only I would know what really moves you

[Chorus]

**Dsus2** **Em7**                    **G**  
 You re always in my head  
**Dsus2**                    **Em7**                    **G**  
 You re just what I wanted  
**Dsus2** **Em7**                    **G**  
 I live in constant debt  
**Dsus2** **Em7**                    **G**  
 To feel you, invented

Hold D

[Prelude]G / D/Dsus2 [x6]

[Bridge]

**D**                    **G**  
 There s a cinematic end  
**D**                    **A**  
 I picture it just right  
**D**                    **G**  
 Having trouble with the right words  
**D**                    **A**  
 But you tell me with your eyes  
**D**                    **G**  
 There s something good I ve missed  
**D**                    **A**  
 Something I cant find  
**D**                    **G**  
 Do you believe me now?  
**A**  
 Can you see it in my eyes?  
**G**  
 see it in my eyes?  
**G**  
 see it in my eyes?

[Prelude]

D / Dsus2 / D [x16]

[Chorus]

**Dsus2 Em7 G**

You re always in my head

**Dsus2 Em7 G**

You re just what I wanted

**Dsus2 Em7 G**

I live in constant debt

**Dsus2 Em7 G**

To feel you, invented

End with D
