When I first came to see you

Could we meet? Show me all the things you see?  
**Ebsus2 G#**  
I m one more here  
**Fm7 G#**  
Some old-timer pioneer  
**Ebsus2 G#**  
Who believes with shaken faith  
**Fm7 G#**  
I still have some cool

**Cm Bb G#**  
I could leave you here with your people  
**Cm Bb G#**  
If I m a flag you d not prefer to wave

[Chorus]

**Ebsus2 Fm7 G#**  
You re always in my head  
**Ebsus2 Fm7 G#**  
You re just what I wanted  
**Ebsus2 Fm7 G#**  
I live in constant debt  
**Ebsus2 Fm7 G#**  
To feel you, invented

**Cm Bb G# [x2]**

**Ebsus2 G# Fm7**  
When I first came to LA  
**G# Ebsus2**  
I met you the old fashioned way  
**G#**  
Too drunk

**Fm7**                    **G#**  
 And even worse, much too lonely  
       **Ebsus2**                **G#**  
 I ll leave it there  
       **Fm7**                    **G#**  
 A busted homesteader  
       **Ebsus2**                **G#**  
 Who believes in virgin grace  
**Fm7**                    **G#**  
 Somehow I ll stay proud  
       **Cm**                        **Bb**                **G#**  
 Any dick can roll up in a suit  
           **Cm**                        **Bb**                **G#**  
 But only I would know what really moves you

[Chorus]

**Ebsus2**   **Fm7**                **G#**  
 You re always in my head  
       **Ebsus2**                **Fm7**        **G#**  
 You re just what I wanted  
       **Ebsus2**   **Fm7**                **G#**  
 I live in constant debt  
           **Ebsus2** **Fm7**        **G#**  
 To feel you, invented

[Prelude]G / D/Dsus2 [x6]

[Bridge]

**Eb**                **G#**  
 There s a cinematic end  
                   **Eb**                **Bb**  
 I picture it just right  
                                   **Eb**                **G#**  
 Having trouble with the right words  
                                   **Eb**        **Bb**  
 But you tell me with your eyes  
                                   **Eb**                **G#**  
 There s something good I ve missed  
                   **Eb**                **Bb**  
 Something I cant find  
                   **Eb**                **G#**  
 Do you believe me now?  
                                   **Bb**  
 Can you see it in my eyes?  
                   **G#**  
 see it in my eyes?
