It Matters
Jimmy Eat World

Intro 2x: (**G A Bm Bm**)

Verse 1:
G   **A**   **Bm**
We re losing several steps ahead, it s strange
G   **A**   **Bm**
Anything you do, anyway you move
G   **A**   **Bm**
Then with any strain it feels so helpless
G   **A**   **F#**
A trap we build ourselves, we can be without

Chorus:
                          G   **A**   **F#m Bm**
When you pulled away, I say it matters
                        G   **A**   **F#m Bm**
With the quiet face, heartbreak I shatter
       G   **A**   **F#m Bm**
Then okay, we ll train but after
                        G   **A**
Nothing new to see, saying what you mean
                  Bm
When you pulled away

Verse 2:
G   **A**   **Bm**
I imagine talks last all night
G   **A**   **Bm**
Never bringing up, but every day I want to
G   **A**   **Bm**
I think about us dancing, but it s not something we do
G   **A**   **F#**
Well there s my dream, doesn t it sound good to you?

Chorus:
                          G   **A**   **F#m Bm**
When you pulled away, I say it matters
                        G   **A**   **F#m Bm**
With the quiet face, heartbreak I shatter
       G   **A**   **F#m Bm**
Then okay, we ll train but after
                        G   **A**
Nothing new to see, saying what you mean
                  Bm
When you pulled away

Solo:

(**A Bm**)
(**G A F#**)

Chorus:
```
                      G         A       F#m  Bm
When you pulled away, I say it matters
                      G              A         F#m  Bm
With the quiet face, heartbreak I shatter
        G            A        F#m  Bm
Then okay, we ll train but after
                          G                        A
Nothing new to see, saying what you mean
                       Bm
When you pulled away

                          G                        A
Nothing new to see, saying what you mean
                       Bm
When you pulled away
```
