Jimmy Eat World - My Best Theory

Standard Tuning

Intro: **F#m A E B**

**F#m A E**  
It s been a long time, so long  
**B**  
There s only one life I know (I know)  
**F#m A**  
But I have my own mind  
**E B**  
I ll say so if it seems right

**F#m**  
(Hey rush out)  
**A E**  
I see your warm face with the soft mouth  
**B F#m**  
But it speaks something else (else)  
**A E**  
I ll take my chances with the cast down  
**B**  
We can feel the air

Chorus:

**F#m A**  
Rush out, out from the center  
**E B**  
Not like one side is any better  
**F#m A**  
Stand up as they ve been preaching  
**E B**  
My best theory is already in me  
**F#m**  
(already in me) In me

**F#m A E B**

(We can feel, we can feel the air  
**F#m**  
Rush out)  
**A**  
So many questions  
**E B**

And the answers come back unanswered (unanswered)

**F#m** **A**

Let s hold the old script

**E**

It s a new twist
