Lyrics:

[Verse 1]

hey, don t write yourself off yet  
it s only in your head you feel left out or looked down on  
just try your best  
try everything you can  
and don t you worry what they tell themselves when you re away

[Verse 2]

hey, you know they re all the same  
you know you re doing better on your own so don t buy in

live right now  
just be yourself  
it doesn't matter if that's good enough for someone else

[Chorus]

it just takes some time  
little girl, you're in the middle of the ride  
everything everything will be just fine  
everything everything will be all right

[Verse 3]

do your best  
do everything you can  
don't you worry what their bitter hearts are going to say
