Declare Chords:

Drop **D...**

DADGBE

**Em:** 222xxx

**D:** XX023X for verse and 000XXX for chorus and bridge

**A:** X02220 for verse and 777XXX or X022XX for chorus

**G:** 555XXX or (for **A** fuller sound) 55003X

**B:** 999XXX or X244XX

(note, this key actually calls for a Bm, but if you play a full B-minor chord it sounds pretty bad in this song)
