

Your House
Jimmy Eat World

Your House by Jimmy Eat World

Tabbed (Chorded? is that a word?) by Jeffrey Chupp - 12:47 AM 12/3/2001
djchupp@samford.edu

Easy easy song...

Intro:
Strum a clean A over and over...

Verse One:

(still on **Bb**)

Eb

When you re on, I swear you re on.

Bb

You rip my heart right out.

You rip my heart right out.

Eb

I think the whole room can hear me clear my throat.

Bb

You rip my heart right out.

You rip my heart right out.

Chorus:

G# **Bb** **Eb** **C**

If you still care at all, don t go, tell me now.

G# **Bb** **Eb**

If you love me at all, don t call.

Verse Two:

(still on **Eb**)

Then out of nowhere, put me right back there.

Bb

You rip my heart out, you rip my heart right out.

Eb

And we know what happens when we get to your house.

Bb

You rip my heart out, you ll rip my heart right out.

Chorus:

G# **Bb** **Eb** **C**

If you still care at all, don t go, tell me now.

G# **Bb** **Eb** **C**

If you love me at all, please don t, tell me now.

G# **Bb** **Eb** **C**

If you still care at all, don t go, tell me now.

G# Bb Eb

If you love me at all, don t call.

Bridge:

G#... Fm... Eb... G#... X2

(still on **G#**)

Fm G#

I throw away everything I ve written you.

Fm G# Fm

Oh anything just keep my mind from thinking how I ve had you once.

G#

Oh, I can t forget that.

Fm G#

Sometimes I wish I could lose you again.

Verse Three:

Eb

You re winning me over with everything you say.

Bb

You rip my heart right out.

You rip my heart right out.

Eb

When I let you closer, I only want you closer.

Bb

You rip my heart right out.

You rip my heart right out.

Chorus:

G# Bb Eb C

If you still care at all, don t go, tell me now.

G# Bb Eb C

If you love me at all, please don t, tell me now.

G# Bb Eb C

If you still care at all, don t go, tell me now.

G# Bb Eb C

If you love me at all, don t call.

(repeat as desired... end on D or fade out if you can...)

Declare Chords:

Drop **Eb...**

DADGBE

Fm: 222xxx

D: XX023X for verse and 000XXX for chorus and bridge

A: X02220 for verse and 777XXX or X022XX for chorus

G#: 555XXX or (for **Bb** fuller sound) 55003X

C: 999XXX or X244XX

(note, this key actually calls for a Bm, but if you play a full B-minor chord it sounds pretty bad in this song)

Any suggestions or corrections can be emailed to me. Hey kiddos, if you like the tab, drop me a line also, it d be nice to know that people are actually using them....
