DADGBE

**Dm:** 222xxx

**D:** XX023X for verse and 000XXX for chorus and bridge

**F:** 555XXX or (for **G** fuller sound) 55003X

**A:** 999XXX or X244XX

(note, this key actually calls for a Bm, but if you play a full B-minor chord it sounds pretty bad in this song)
