

Bitter And Twisted
Jimmy Nail

BITTER AND TWISTED " JIMMY NAIL

A **A7**
Devil walks behind you
A **D** **C** **A**
Sneakin'™, ever ready to steal your world away
A7
No matter what you mean to
A **D** **C** **A**
He'll have you sayin'™ things you really should not say
A
It's not that I'm a bad man
A7 **D** **C** **A**
Had my good intentions just like all the rest
A
But when he gets behind you
A7 **D** **C** **A**
It's hard to see for real, it's hard to know what's best
D
Oh but just because I missed it
C **A**
No need to get all bitter and twisted.

A **A7**
Pocket full of promises
A **D** **C** **A**
But promises don't buy you things or pay your way
A
I had it in my palm girl
A7 **D** **C** **A**
Now there's just an empty hand down there today
D
But just 'cause I missed it
C **A**
There's no need to get all bitter and twisted
D
I said just 'cause I missed it
C **A**
No need to get all bitter and twisted

A **A7**
I tried to walk the straight line
A **D** **C** **A**
Tried to pass the swinging door on my way home

A
I thought about the good things
A7 **D** **C** **A**
Then I thought about the bad things too and was undone

A
I miss my wife and kids now
A7 **D** **C** **A**
Miss all the little things we used to do and say

Devil walks behind you
A7 **D** **C** **A**
Sneakin'™ ever ready to steal your soul away

D
Just 'cause I missed it
C **A**
No need to get all bitter and twisted

D
Just 'cause I missed it
C **A**
No need to get all bitter and twisted

C **A** **C** **A**
No need to get all bitter and twisted

Bitter and twisted, Bitter and twisted (Repeat and fade)

A really good song, most under-rated I think. Enjoy! .RV
