Can you hear it in your streets,			Talk so cheap like	tumble -	down
Empty words and dirty deeds			Words so deep we all could	drown	
E	D	A	F#m7	E	
Promise of a world so fine			A picture-postcard	pepper	dine
E	D	A	F#m7	E	
And all you have to do is sign			Upon that dotted	line	

E	D	Bm	E	A	
Take the word of one who knows			Hear it comes,	there it goes	
Get yourself out while you can			Save you from the	running man	
A, D, A, F#m7, D, A					

A	D	A	F#m7	E	A
I ll decide what I believe			No-one s gonna	change me	now
I ll say how I live this life			You re not gonna	tell me	how
E	D	A	F#m7	E	
Promise of a world so fine			No more drugs,	an end to	crime

Don t you know we know that line			We ve heard it	all before

Close your mouths and close your doors			Spare us all from	any more	
Get your guns out while you can			Save you from the	running man	
E	D	Bm	E	A	
Close your mouths and close your doors			Spare us all from	any more	
Get your guns out while you can			Save you from the	running man
