Jimmy Needham - A Breathe Or Two
rate and comment please :)

INTRO
Cmaj7 Bm7 Am7 Gmaj7 x2

Cmaj7   **Bm7**
I think itâ€™s terminal, this terminal Iâ€™m waiting in
Am7   **Gmaj7**
Could use a change of scene, it seems Iâ€™ve been repeating it
Cmaj7   **Bm7**
Another day, another plane, another same thing
Am7   **Gmaj7**
Yesterday became tomorrow thatâ€™s the strange thing
Cmaj7   **Bm7**   **Am7**
Gmaj7
Another string, another strum, another rhyme, another hum

C   **G/B**
I want to breathe in
C   **G/B**   **C**   **D**
I want to breathe in and out again

CHORUS
C   **G/B**   **Am7**   **G**
Iâ€™m tired of putting one foot in front of the other
C   **G/B**   **Am7**   **G**
Iâ€™m weary of where it leads me to
C   **G/B**   **Am7**   **G**
Iâ€™m tired of moving on from my Father
C   **G/B**   **Am7**   **A**   **D**
Make me rest my head, take a breath or two

Simply stated simple minded love for You
Has simply been completely complicated
And Iâ€™m finding this daily drudgery is finally catching up to me
Itâ€™s time for this abandon to make much of You and less of me

I want to breathe in
I want to breathe in and out again

C   **G/B**   **Am7**   **G**
Iâ€™m tired of putting one foot in front of the other
C   **G/B**   **Am7**   **G**
Iâ€™m weary of where it leads me to
C   **G/B**   **Am7**   **G**

I'm tired of moving on from my Father

| C | G/B | | Am7 | A | | D |

Make me rest my head, take a breath or two
