

Rock Bottom

Jimmy Needham

Piano intro: **Fm Db Fm Db**

Verse 1:

Fm

I ve never seen anything like Your fountain

Db/Ab

comin down from the tip of the mountaintop

Bbm Cm7

And it goes, never stops, only overflows

Fm

I ve never met anyone with the power

Fm/Eb

to make a desert bloom like a flower

Db

Bbm

Cm7

Up and it goes, where it stops only Heaven knows

Bbm

C7

(silence)

Never known anyone as wonderful as You are

Chorus:

Fm

Db

Over and over You fill my heart with wonder

Ab

Eb

You take me by surprise, I can t believe my eyes

Fm

Db

Wider and deeper, just when I think I ve seen You

Ab

Like a stone thrown into the ocean water

Bbm

C7

I could search Your depths and never hit rock bottom

Piano interlude: **Fm Db Eb**

Verse 2:

Fm

Db

How can the God of the galaxies

Ab

Eb

have a care for the little things?

Fm

Ab

Eb

Every tear that I cry, every time that I smile

Fm

Deep in me You ve created a fire

Db

Like a friend You keep taking me higher

Ab **Eb**
Up and it grows, where it stops only Heaven knows
Bbm **C7** (silence)
Never known anyone as wonderful as You are

C7 **Bbm** (short piano hook)
Chorus ~ ...never hit rock bottom

Bridge:

Bbm **Fm**
Even though I m plungin the depths of Your love
C **Fm** [bass: **F G Ab Bb C**]
I m just scratchin the surface of who You are
Bbm **Cm**
All the seas in all the world cannot contain all that You are
Db **Eb**
You captivate my heart

Chorus (just piano):

Fm **Db**
Over and over You fill my heart with wonder
Ab **Eb/G**
You take me by surprise, I can t believe my eyes
Fm **Db**
Wider and deeper, just when I think I ve seen You
Ab
Like a stone thrown into the ocean water
Bbm **C7**
I could search Your depths and never hit rock bottom

Chorus (built):

Fm **Db**
Over and over You fill my heart with wonder
Ab **Eb** **C7/E**
You take me by surprise, I can t believe my eyes
Fm **Db**
Wider and deeper, just when I think I ve seen You
Ab
Like a stone thrown into the ocean water
Bbm **C7**
I could search Your depths and never hit rock bottom
