Yours To Take Jimmy Needham

Hello all, this is my first tab. I ve seen some chords for this song thats already on internet, but they re quite not accurate :P (no offense). I ll be showing you an accurate(but not that accurate) chord chart for this song. I know the name of the other chords I tabbed because I suck at playing guitar): Im sorry,

play the tab and call it whatever you want.

I ll be editing this because I m still studying the song, if you know some of the chords

wasn t added in this please contact me.
