D A Em G
Over the walls I hear laughter
D A Em G
Under the light of a devilish moon
D A Em G
Down the hall somebody's creepin'
D A Em G
Singing an old familiar tune

Bridge

A Em G
Still I wait without a sound
A Em G
On this train that's morning bound

Chorus

D A Em G
I can't sleep at night
D A Em G
Climbing the walls to the beat of the rain
D A Em G
I go through dark to see daylight
D A Em G
On this morning bound train

In the jungle it's the same thing
Feel the noise rise up like rage
I drift around inside a day dream
See the lion pace the cage

Still he waits without a sound
On this train that's morning bound

I can't sleep at night
Climbing the walls to the beat of the rain
I go through dark to see daylight
On this morning bound train

Could it be I m only restless
The wild inside will not be tamed
Could it be I m only love sick
What s ailing me cannot be named

Still I wait without a sound
On this train that s morning bound

I can t sleep at night
Climbing the walls to the beat of the rain
I go through dark to see daylight
On this morning bound train

I think thats how it goes
