

I Love You This Much
Jimmy Wayne

I love you this much

this is yet another Country song about Jesus, but this is my favorite. I've been waiting a year for you this song to appear on UG but it never did, so finally I got off my lazy but and figured it out. If you have any complaints about this song that DO NOT involve religion send them to randalthor07@Yahoo. I might be able to come up with a solution.

Intro: **C Csus2-C F Gsus G (x2)**

C G/C# Am G
He can't remember the times that he thought
F C/F# Dm7 G
Does my daddy love me, probably not
C G/C# Am G
That didn't stop him from wishing that he did
F C/F# Dm7 Gsus G
Didn't keep him from wanting or worshipping him

C G/C# Am G
He guesses he saw him about once a year
F C/F# Dm7 G
He could still feel the way he felt standing in tears
C G/C# Am G
Stretching his arms out as far as they'd go
F C/F# Dm7 G
Whispering, dad I want you to know

Chorus:

F C/F#
I love you this much and I'm waiting on you
Dm7 G
To make up your mind, do you love me too?
F C/F#
How ever long it takes I'm never giving up
Dm7 C/F# F
No matter what
A D (repeat intro progression once except on second chorus)
I love you this much

C G/C# Am G

He grew to hate him for what he had done
F C/F# Dm G
Cause what kind of father could do that to his son
C G/C# Am G
He said, damn you daddy the day that he died
F C/F# Dm G
The man didn't blink but the little boy cried

CHORUS

F C/F#
I love you this much and I'm waiting on you
Dm7 G
To make up your mind, do you love me too?
F C/F#
How ever long it takes I'm never giving up
Dm7 C/F# F

Bridge:

Dm7 C
Half way through the service while the choir sang a hymn
Bb G
He looked up above the preacher and he sat and stared at him

C G/C# Am G
He said, forgive me father when he realized
F C/F# Dm7 G
That he hadn't been unloved or alone all his life
C G/C# Am G
His arms were stretched out as far as they'd go
F C/F# Dm7 G
Nailed to the cross for the whole world to know

CHORUS

F C/F#
I love you this much and I'm waiting on you
Dm7 G
To make up your mind, do you love me too?
F C/F#
How ever long it takes I'm never giving up
Dm7 C/F# F

(repeat intro progression)
