I don t kno-o-o-ow how to love you anymore

Weâ€™ve got our routines, (?) and faded jeans
We watch people live on television screens
We hear the silences (â€~), itâ€™s got no place to go
Sometimes it gets so loud, itâ€™s deafining when twoâ€™s a crowd

I don t know how to love you anymore,
Canâ€™t remember how I felt?
Itâ€™s hard to tell, it doesnâ€™t flow the way it did before
Itâ€™s a (?) that has no name, itâ€™s a fire without a flame
I don t know how to love you anymore

Ab Cm7 Gm7 Dm7
And now all the kingâ€™s horses came in
Ab Cm7 Gm7 Gb
Tell me how can they put us together again?
Eb
How can they mend us again?

I don t know how to love you anymore,
Itâ€™s a lesson I forgot And now itâ€™s not a debt I owe
Iâ€™m so tired of keeping score
Itâ€™s a crime that knows no blame, itâ€™s a sin that has no shame
I don t, I just donâ€™t know how to love you
