**Jimmy Webb**

Moment In A Shadow

**Dm** **C#aug**  
All my life was full of dreaming  
F\C Bm7b5 Am7  
All my dreams were new  
**Ebmaj7** **Am7**  
And then when I lost you  
**Gm7** **F** **A7**  
I felt like dying, babe. Felt like dying, babe

**Dm** **C#aug**  
Then my hope was quickly fading  
F\C Bm7b5 Am7  
That sad unlucky day  
**Ebmaj7** **Am7**  
And when you went away  
**Gm7** **F**  
I just stop trying. I just stop trying

Chorus:

**C D Gm Bb6**  
It was just a shadow, just a moment  
**Ebmaj7 Dm7 Cm7**  
Just an afternoon of tears  
**Eb F Gm Bb6**  
And it was just a heartache, just a raindrop  
**Ebmaj7 Dm7 Cm7 D# F**  
Just a moment in shadow that lasted years  
**D# Bb Cm Ebmaj7 F Bb F**  
Just a moment but it lasted ye-e-e-e-ee-e-e-ears. It lasted years

I was living, I was dying  
Iâ€™ve lived and died again  
A sad and lonely man  
Filled with (?)

I was drowning, I was falling  
I was turning to a stone  
I lived and died again  
And then I saw you

Chorus
