

Where The Universes
Jimmy Webb

Where The Universes Are

G

There s a decade in an hour

Cmaj7

Your whole life s in a single day

F7

G\D

And you re reaching for the moments

Fmaj7

As the seconds slip away

G

And I see you at a party

Cmaj7

But I m closer to the stars

F7

G\D

And I m closer to the teacups

Cmaj7

G C G

Where the universes are

Chorus:

G

C G\B Am7

Where the universes are

G

C G

Where the universes are

C G\B Am7

And I stumble to my car

D7

Sweet Lord, I m off to find another bar

G\D

G

I m off to find another bar

And I ll miss you in the island

And I ll miss you at the fair

And I ll miss a lot of places

Cause my love, you won t be there

And I don t know where I m goin

But I know I m goin far

If I see you out there someday, baby

Where the universes are

Chorus
