Lyrics:

[spoken]

Ooh, Alexandra Wallace

Damn girl, you so feisty

You so feisty they should call you

Alexandra the Great Wallace

Now don t pretend I didn t see you watch me

Talk on my phone yesterday, all sexy

Ching chong wing wong

Baby it s all just code

It s the way I tell the ladies it s time to get funky

[sung]

I hope one day you can meet my

Mother, my brothers, sisters, grandmothers,

grandpas, and cousins

Ooh oh

Cause what they re really doing on those Friday nights

Is showing me how to cook and dress,

Cause baby I wanna take you out

And blow your freakin mind

And underneath the pounds of makeup and your baby blue eyes

I know there s a lot of pain and hurt for such a big brain to

Spend all night studying polisci

I pick up my phone and say

Ching chong, it means I love you

Ling long, I really want you

Ting tong, I don t actually know what that means

Ching chong, it s never ending

Ling long, my head is spinning

Ting tong, still don t know what that means

[Spoken]

Ooh Alex, I just wanna take my phone out and talk dirty to you all day long
But I know you re busy cramming all those big hard theories and arguments.

[Sung]

You ain t that polite, nice American girl your momma raised you to be
So when you reach that epiphany--

--Wait, are you freakin kiddin me?

If you have an epiphany every single time you study that means you re probably
doin
something wrong--

But I like it when you re wrong

And underneath the pounds of makeup
And your baby blue eyes
Ohh oh

I know there s a lot of pain and hurt
For such a big brain to spend all night studying polisci

I pick up my phone and say

Ching chong, it means I love you
Ling long, I really want you
Ting tong, I really don t know what that means
Ching chong, it s never ending
Ling long, my head is spinning
Ting tong, I still don t know what that means

[Spoken, chorus continues in background]

It s alright, Alexandra, I know you know nothin bout tsunamis
I just wanna make sure you know it s not a type of sushi
And I came here to say that I m actually Chinese, and that s a whole nother
country
And it s bigger...yeah, way bigger.
But when it comes to love, Alex, there are no boundaries
