**Ab** **Gm**  
Seeing you inside this lonely little tiny hopeless room  
**D#** **F**  
Is way harder than your thought, itâ€™s harder than your thought  
**Ab** **Gm**  
Bringing you your favorite flowers, purple daisy hope you bloom  
**D#**  
Your mamaâ€™s tears on my shoulder  
**F**  
Make my inside even tighter  
**Ab**  
I would rather see you here  
**Gm**  
Standing breaking up with me  
**D#** **F**  
Than to see you 50-50 in your hospital bed  
**Ab**  
Thereâ€™s an angel by your side,  
**Gm**  
My vision sees your reflection  
**D#** **F**  
Tragedy will set aside if only I have felt right  
**Cm** **F**  
I never seen your heart this tired  
**Cm** **F**  
I never seen your heart this tired

Chorus:

**Ab** **Gm**  
I wonâ€™t stop believing that your open your eyes  
**D#** **F**  
Iâ€™ve been praying that youâ€™ll never ever go to the light  
**Ab** **Gm**  
I wonâ€™t hide this feeling that Iâ€™m having inside  
**D#** **F**  
Iâ€™ve been wishing Iâ€™m the one whoâ€™s is there and youâ€™re not one

**Ab Gm**  
Tatatatara  
**D# F**  
Tatatatara

**Ab Gm**

Tatatatara

**D# F**

Tatatatara

Waiting here in front of you is the only thing I could do,  
Iâ€™ve ever felt so useless in my life what else should I do?  
Hang in there my pretty love; the sun will set to shine for you  
And when you open your eyes, for sure Iâ€™ll be on your side  
I never seen your heart this tired  
I never seen your heart this tired

I wonâ€™t stop believing that you open your eyes  
Iâ€™ve been praying that youâ€™ll never ever go to the light  
I wonâ€™t hide this feeling that Iâ€™m having inside  
Iâ€™ve been wishing Iâ€™m the one whoâ€™s is there and youâ€™re not one

Tatatatara (open your eyes)

Tatatatara (oh baby open your eyes)
