

If I Had A Rocket
J.J. Cale

artist: J.J. Cale
song: If I had a rocket
album: Guitar Man (1996)

a very simple blues chord progression

intro: **G#**

verse 1:

G#

If I had me a rocket, I d fly off to the moon

C#

G#

If I had me a rocket, boy, I d fly off to the moon

D#

It s a-getting so crowded here

C#

G#

I can t find no room

verse 2:

G#

People, lots of people coming out of the walls

C#

G#

People, lots of people coming out of the walls

D#

When there s too many people

C#

G#

Ain t no room at all

verse 3:

G#

You can t hide out no more, satellite will track you down

C#

G#

You can t hide out no more, satellite ll track you down

D#

You can t run from your neighbors

C#

G#

There s a neighbors all round

guitar solo

verse 4: repeat verse 1

guitar solo

& fade

You can as well use a capo on the 1st fret
and use chords G, C and D instead of G#, C# and D#.

Or you can use a capo on the 4th fret
and use chords E, A and B.
