By My Side

By JJ Grey and Mofro

Transcribed by Slobrien (aka Mike O)

use an open E chord trilling the G note on sixth string  
for all E Chords

**E** **E**  
There, there s a time  
**G** **A** **E**  
and a place for everything  
**E** **E**  
Hear these fools tell you who you are  
**G** **A** **E**  
but you don t hear a doggone thing  
**E** **E**  
And maybe that s why, why I love you  
**G** **A** **E**  
Maybe that s how I feel your pain  
**E** **E**  
Cuz we re both falling down  
**G** **A** **E**  
and there ain t nobody to blame

Chorus

**G** **A** **E** **C** **D** **E**  
I ain t going nowhere I ain t gonna hide  
**G** **A** **E** **C** **D** **E**  
I ain t going nowhere with you by my side

**E**  
There, there s a road  
**G** **A** **E**  
that we walk but cannot see  
**E** **E**  
Feel its spirit come and go  
**G** **A** **E**  
make me whole shape me out of clay  
**E** **E**  
Now you know just how feeble  
**G** **A** **E**  
and how weak a man can be  
**E**  
And still you re pleased,  
**E** **G** **A** **E**

pleased to be with me any anyway

Repeat Chorus 2x
