

**King Hummingbird**

**JJ Grey & Mofro**

Intro-

**D G D Em C**

Verse:

**G D Em C**  
A crown of red, king hummingbird  
**G D Em C**  
There upon your perch, say the word  
**C D G G/F# Em**  
And Iâ€™ll fall down on my knees and beg  
**C D G G/F# Em**  
For the life I took from you my king  
**C D**  
Oh this empty thing Iâ€™ve done

Chorus:

**G D Em C**  
Everywhere I go, I feel you there  
**G D Em C**  
Everywhere I go, I feel you there  
**Em C**  
Do you even know me?  
**Em C**  
Do you even care?

Verse:

**G D Em C**  
The deepest green, and rainbow blue  
**G D Em C**  
As delicate and light, as morning dew  
**G D Em C**  
Beating wings they whisper, a babyâ€™s breath  
**G D Em C**  
Filling me with wonder, for all that is  
**C D G G/F# Em**  
But I took careful aim and I made no sound  
**C D G G/F# Em**  
For no reason I can think of now  
**C D**  
Oh this empty thing Iâ€™ve done

Chorus:

**G D Em C**  
Everywhere I go, I feel you there

Repeat to taste, end on C.
