That Boy

By JJ Grey and Mofro

Transcribed by Slobrien (aka Mike O)

The verse is the same throughout

A repeating **E A** progression

with a treble string open strum after the

A chord on the way back to **E**

cool funky rhythm to it Pretty easy to figure out

all chords are approximateto the lyrics here

E **A** **E** **A** **E** **A**

Everybody s looking You re the talk all over town

E **A**

When y all walk the street

E **A** **E** **A**

He s got a smile you got a frown

E **A** **E**

Too many folks talking about what you ought to do

A **E**

And not what you gonna do

E **A** **E** **A** **A**

Still ain t right for that man to get on top of you

A **G**

That Boy don t love - He s afraid of you

E **A** etc

We heard he slapped you around

And I know that shit ain t right

One minute y all get along

And then the next you fuss and fight

Sugar wouldn t melt in his mouth according to you

Next day we see you girl you all black and blue

A **G**

That Boy don t love - He s afraid of you

E **A** etc

Now your moments come

You ve got to break out on your own

Girl you can t live in fear

Inside that place you call your home

It s time to turn him out turn him loose just walk away
He s just a mama s boy let him cry girl let him cry

A

G

That Boy don t love - He s afraid of you
