A **E** **D** **C** **A**
Out in the garden Till the sun goes down
A **E**
Work the handle till my fingers bleed
D **C** **A**
Made you the big man in town

D **A**
While my child hood was a wasting
D **E**
While my child hood slipped away
 A **E**
I was born on the wrong side of the tracks
 E **A**
So I left but I m still looking back
A **E**
Everybody s got a tell of sorrow
 E **A**
Try to forget it But I can t let go

A **E** **D** **C** **A**
I used to watch the hobos With a jealous eye
A **E**
Cause for me there s no rails to ride
D **C** **A**
Just the pain to survive

D **A**
All this time I ve Been a Wasting
D **E**
All this time done slipped away
 A **E**
I was born on the wrong side of the tracks
 E **A**
So I left but I m still looking back
A **E**
Everybody s got a tell of sorrow
 E **A**
Try to forget it But I can t let go
