

**Where I Land**  
**JJ Heller**

**E**  
Youâ€™re different from the way I thought youâ€™d be

**A**

But here you are in front of me

**B**  
So full of light I watch it overflow

**E**  
A lovely mystery

**A** **E**  
And I am lost for words

**A** **E**  
Youâ€™re more than I deserve

**E**  
You have a way of stirring up my soul

**A**  
Did you know

**B**  
When you hold me in your arms the way you do

**E**  
It feels like coming home

**A** **E**  
And I am lost for words

**A** **E**  
Youâ€™re more than I deserve

**A** **E**  
And when I cannot stand

**A** **E**  
You are where I land

**E**  
And when the years have stolen youth away

**A**  
I will stay

**B**  
You will be the keeper of my heart

**E**

Until my final day

**E**  
And when the years have stolen youth away

**A**  
I will stay

**B**  
You will be the keeper of my heart

**E**

Until my final day

**A** **E**  
And I am lost for words

**A** **E**  
Youâ€™re more than I deserve

**A** **E**  
And when I cannot stand

**A** **E**  
You are where I land
