So full of light I watch it overflow

E
A lovely mystery

A **E**
And I am lost for words

A **E**
Youâ€™re more than I deserve

E
You have a way of stirring up my soul

A
Did you know

B
When you hold me in your arms the way you do

E
It feels like coming home

A **E**
And I am lost for words

A **E**
Youâ€™re more than I deserve

A **E**
And when I cannot stand

A **E**
You are where I land

E
And when the years have stolen youth away

A
I will stay

B
You will be the keeper of my heart

E

Until my final day

E
And when the years have stolen youth away

I will stay

You will be the keeper of my heart

Until my final day
