Thinking of you wherever I go and

F

I close my eyes

F

Youâ€™re by my side

C

A thousand miles canâ€™t keep us apart

Your tender words serenade my heart and

F

You keep me smiling

Perfect timing

Am

I wish that you were here with me tonight

You know Iâ€™ve been to many different places

Am

And Iâ€™ve seen so many pretty faces

F

C

But Baby no one ever comes close to you

G

Close to you

F

Close to you

C

Planes and trains through sun and rain

I called to say

F

Am

I wish that you were here with me tonight

On these long nights in another lonely city
