They say that some things are too good to be true,
But I just hope they ain t talking about you,
I heard that everything must come to an end,
But I just can t imagine me without you,
Me without you,
Yeahhhhhh...JLS Tinie Tempah

Don t tell me I m dreaming,
Cause if I ve been dreaming,
I don t ever want to wake up,
So in love with this feeling,
Tonight I ll be sleeping
Sleeping with my eyes wide shut,

Cause I don t want to wake up,
Wake up wake up,
I don t want to wake up,
Wake up wake up,
So in love with this feeling,
Tonight I ll be sleeping,
Sleeping with my eyes wide shut,

Out of sight they say out of mind,
But your image will remain till the end of time,
I m strong but hearts are easy to break,
Don t want to fall if there ain t no one to catch me,
Me without you,
Me without you,
Oh I don t ever want to wake up,

Don t tell me I m dreaming,
Cause if I ve been dreaming,
I don t ever want to wake up,
So in love with this feeling,
Tonight I ll be sleeping,

Sleeping with my eyes wide shut,

Cause I don t want to wake up,

Wake up wake up,
I don t want to wake up,
Wake up wake up,
So in love with this feeling,
Tonight I ll be sleeping,
Sleeping with my eyes wide shut,
