

Other Side Of The World
Jls

Hey guys this is my first post
i reckon it works
if you think anything should change
email me
phongnguyen89@hotmail.com
phongsta

A

Well your taxi is leaving

E

And I m here in the hall

Fm

You know I only just kissed you

D

D

But it feels like you ve already gone

E

A

A

To the other side of the world

A

I try to keep it together

E

Turn my face to the wall

Fm

Take the next elevator

D

D

But it feels like you ve already gone

E

To the other side of the world

A

E

I know you re leaving you ve got plans to make

Fm

D

Don t catch me crying as you walk away

A

I m right here

A

You re out there

E

Til you re back again

D

E

I ll be holding on

A

But now I m left with the silence

E

On the 25th floor

Fm

Above the city and sirens

D

D

Cause it feels like you ve already gone

E

To the other side of the world

A

E

I know you re leaving you ve got plans to make

Fm

D

Don t catch me crying as you walk away

A

I m right here

A

You re out there

E

Til you re back again

D

E

I ll be holding on

D

E

I got everything I want but tell me what s the use?

D

E

When the one thing that I need has no substitute

D

E

So I d run a thousand miles just to be with you

Fm

Just to be with you

E

Just to be with you

A

You make your way through the traffic

D

Forty minutes or more

Fm

Get to the airport departures

D

D

But it feels like you ve already gone

E

To the other side of the world

A

E

I know you re leaving you ve got plans to make

Fm

D

Don t catch me crying as you walk away

A

I m right here

A

You re out there

E

Til you re back again

D

E

I ll be holding on

A

Now my taxi is waiting

E

Told my friends not to call

Fm

Got my suitcase and ticket

D

D

By tomorrow you know I ll be gone

E

To the other side of the world
