Other Side Of The World Jls

Hey guys this is my first post i reckon it works if you think anything should change email me phongnguyen89@hotmail.com phongsta

Α

Well your taxi is leaving

Ε

And I m here in the hall

Fm

You know I only just kissed you

But it feels like you ve already gone

E A

Α

To the other side of the world

Α

I try to keep it together

Е

Turn my face to the wall

Fm

Take the next elevator

But it feels like you ve already gone

To the other side of the world

Α

I know you re leaving you ve got plans to make

Fm D

Don t catch me crying as you walk away

Α

I m right here

A

You re out there

Е

Til you re back again

ע

I ll be holding on

__

But now I m left with the silence

Е

On the 25th floor

 $\mathbf{F}\mathbf{m}$

Above the city and sirens

D Cause it feels like you ve already gone To the other side of the world I know you re leaving you ve got plans to make Don t catch me crying as you walk away I m right here You re out there Til you re back again I ll be holding on I got everything I want but tell me what s the use? When the one thing that I need has no substitute So I d run a thousand miles just to be with you Just to be with you Just to be with you You make your way through the traffic Forty minutes or more Fm Get to the airport departures But it feels like you ve already gone To the other side of the world I know you re leaving you ve got plans to make Don t catch me crying as you walk away I m right here You re out there Til you re back again

Α

I ll be holding on

Now my taxi is waiting

E

Told my friends not to call

Fm

Got my suitcase and ticket

D

D

By tomorrow you know I ll be gone

To the other side of the world
