

Delicious Surprise

Jo Dee Messina

Im not sure about the exact key this is in but just to sit and play the song this way sounds good to me. I use standard tuning and it seems right. Also instead of the C chord, Cadd9 sounds good too.

Artist: Jo Dee Messina

Song: Delicious Surprise

 D C G
If I won me the lottery
 D
I d dance naked in the street
 C G
With a top hat full of money
 D C G
And you d want to get to know me
 D C G
If I won me the lottery

 D C G
And if I was a movie star
 D
I d sip honey from a pickle jar
 C G
In the back of my limousine
 D C G
They d call me an icon
 D
And I d be lookin back at you
 C G
From the cover of the people magazine

Bb C D
I guess it s all for the takin
Bb C D
I guess it s all yours and mine
F G
My sister says I got to see it and believe it
 C D D C G
and I believe it,
C D D C G
I believe it

If I am just an outsider
I m living in a trailer with a black and white TV set
If only I was president, yah
You know I d paint the white house pink
And never have to pay the rent
If only I was president

```

F   C   D
      Delicious surprise
F   C   D
I do believe
F       C       D
Now, it s there all the time
F           C           D
Inside I knew it all the time

```

Got me something to believe in
But all I really want now is
A handful of salvation
And I believe it, I won't sleep till I've had enough
And I believe it, I won't sip my wine from no paper cup
And I believe it, I won't sleep till I've had enough
Until I've had enough till I've had enough.
