Joan Armatrading

Capo 1

**A D/A**

**F#m E A 2x**

**A F#m**

Oh, the feeling, when you re reeling;

**E**

you step lightly thinking you re number one

**A F#m E**

Down to zero with a word, leaving, for another one

**F#m E A**

Now you won t put you re feet back on the ground;

**F#m E D A D**

Down to the ground, down to the ground

**F#m E D A D/A**

Down to the ground, down to the ground

**A F#m**

Brand new dandy, first class scene stealer;

**E**

walks through the crowd and takes your man

**A**

Sends you rushing to the mirror,

**F#m A**

brush your eyebrows and say,

**E F#m**

there s more beauty in you than anyone

**F#m E A**

Oh, remember who walked the warm sand beside you;

**F#m E A**

moored to your heel let the waves come rushing in

**F#m E F#m**

She took the worry from your head;

**D**  
but then again,  
**F#m E F#m**  
she put trouble in your heart instead,  
**D**  
and you fall;  
**F#m E D A**  
down to the ground, down to the ground

**E**  
You ll know heartache,  
**E7 F#m A E**  
Still more crying, when you re thinking of your mother s only son  
**E7**  
Take to your bed,  
  
you say there s peace in sleep,

**F#m A E**  
but you dream of love instead  
**A F#m D**  
Oh, the heartache you ll find,  
**F#m A E**  
Can bring more pain than a blistering sun

**F#m D A F#m**  
But oh when you fall;  
**D A**  
oh when you fall,  
**F#m D E A**  
fall at my door

**F#m E D**  
**F#m E A**  
**F#m E D F#m**

**A F#m**  
Oh, the feeling, when you re reeling;  
**E**  
you step lightly thinking you re number one  
**A F#m E**  
Down to zero with a word, leaving, for another one  
**F#m E A**  
Now you won t put you re feet back on the ground;  
**F#m E D A D**  
Down to the ground, down to the ground  
**F#m E D A D/A**  
Down to the ground, down to the ground

**E**  
You ll know heartache,  
**E7 F#m A E**  
Still more crying, when you re thinking of your mother s only son

**E7**

Take to your bed,

you say there s peace in sleep,

**F#m A E**

but you dream of love instead

**F#m D A F#m**

But oh when you fall

**D A**

oh when you fall,

**F#m D E A**

fall at my door
