

Drop The Pilot Joan Armatrading

A nice simple song even if the key is unusual; use a capo or play it in another key. Go on give it a rating.

[Intro] **C#, F#, C#, F#, C#. F#, C#, F#**

C# F# C# F#
I m right on target, my aim is straight
C# F# C# F#
So you re in love I say what of it
F# G# F# G#
Things can change, there s always changes
F# G# F# G#
And I wanna try some rearranging

C# F#
Drop the pilot, try my balloon
C# F#
Drop the monkey, smell my perfume
C# F#
Drop the mahout I m the easy rider
C# F#
Don t use your army to fight a losing battle
C# F#
Animal, mineral, physical, spiritual
F# G#
I m the one you need, I m the one you need

You re kissing cousins, there s no smoke no flame
If you lose that pilot I can fly your plane
If you want solid ground come on and try me
Or I can take you so high that you re never gonna wanna come down

Drop the pilot, try my balloon
Drop the monkey, smell my perfume
Drop the mahout I m the easy rider
Don t use your army to fight a losing battle

Animal, mineral, physical, spiritual
I m the one you need
I m the one you need
I said
Animal, mineral, physical, spiritual
I m the one you need
I m the one you need
I m the one you need
