

Drop The Pilot

Joan Armatrading

A nice simple song even if the key is unusual; use a capo or play it in another key. Go on give it a rating.

[Intro] **D,G,D,G,D.G,D,G**

D **G** **D** **G**
I m right on target, my aim is straight
D **G** **D** **G**
So you re in love I say what of it
G **A** **G** **A**
Things can change, there s always changes
G **A** **G** **A**
And I wanna try some rearranging

D **G**
Drop the pilot, try my balloon
D **G**
Drop the monkey, smell my perfume
D **G**
Drop the mahout I m the easy rider
D **G**
Don t use your army to fight a losing battle
D **G**
Animal, mineral, physical, spiritual
G **A**
I m the one you need, I m the one you need

You re kissing cousins, there s no smoke no flame
If you lose that pilot I can fly your plane
If you want solid ground come on and try me
Or I can take you so high that you re never gonna wanna come down

Drop the pilot, try my balloon
Drop the monkey, smell my perfume
Drop the mahout I m the easy rider
Don t use your army to fight a losing battle

Animal, mineral, physical, spiritual
I m the one you need
I m the one you need
I said
Animal, mineral, physical, spiritual
I m the one you need
I m the one you need
I m the one you need
