

**Drop The Pilot**  
**Joan Armatrading**

A nice simple song even if the key is unusual; use a capo or play it in another key. Go on give it a rating.

[Intro] **Eb, G#, Eb, G#, Eb, G#, Eb, G#**

**Eb**                    **G#**                    **Eb**                    **G#**  
I m right on target, my aim is straight  
**Eb**    **G#**                    **Eb**                    **G#**  
So you re in love I say what of it  
**G#**                    **Bb**                    **G#**                    **Bb**  
Things can change, there s always changes  
**G#**                    **Bb**                    **G#**                    **Bb**  
And I wanna try some rearranging

**Eb**                    **G#**  
Drop the pilot, try my balloon  
**Eb**                    **G#**  
Drop the monkey, smell my perfume  
**Eb**                    **G#**  
Drop the mahout I m the easy rider  
**Eb**                    **G#**  
Don t use your army to fight a losing battle  
**Eb**                    **G#**  
Animal, mineral, physical, spiritual  
**G#**                    **Bb**  
I m the one you need, I m the one you need

You re kissing cousins, there s no smoke no flame  
If you lose that pilot I can fly your plane  
If you want solid ground come on and try me  
Or I can take you so high that you re never gonna wanna come down

Drop the pilot, try my balloon  
Drop the monkey, smell my perfume  
Drop the mahout I m the easy rider  
Don t use your army to fight a losing battle

Animal, mineral, physical, spiritual  
I m the one you need  
I m the one you need  
I said  
Animal, mineral, physical, spiritual  
I m the one you need  
I m the one you need  
I m the one you need
