FREE AT LAST - Joan Baez

Tabbed by: Leo Arbaro

Tuning: E (standard)

CHORUS:

C **F**
Free at last, free at last,
C **G**
Free from the world and all its sins!
C **F**
Free at last, free at last,
C **G** **C**
I ve been to the top of the mountain.

C **F**
Hatred had me bound, had me tied down,
C **G**
Had me turned around, couldn t find my way.
C **F**
Then you walked with me and you set my spirit free,
C **G** **C**
Took me and my family down that long highway.

[CHORUS.]

C **F**
I will never forget when the voices called,
C **G**
I will never forget how the night did fall,
C **F**
I will never forget when you rose to the call.
C **G** **C**
You lived and loved and sang and preached and died for us all.

[CHORUS x3.]
