Capo on the 1st fret

Chords:

Bm: x46654
A: x24442
G: x02220
Dm: x22000
Bb: x32010
C: xx0232

```
  Intro:    Bm      A      G      A x3
            Bm      A      G
```

```
Bm          A                 G
  I was taught to never tell a lie
      Bm              A                 G
  To look you in the eye and tell it like it is
Dm          Bb                    C
  Always thought that you would be the same
Dm                  Bb                    C
  It s such a shame that s not the way it is
```

```
Bm          A                 G
  I was fooled by your innocence
Bm          A                 G
  And my love for you was so intense
Dm                  Bb                C
  With our connection only physical
          Dm                    Bb
  If it got me through the night
      C
  Well that s a lie
```

```
  Dm    Bb          C
  Heeeyyy little liar I believed in you
```

```
  Dm     Bb          C
Heeeyyy little liar I believed in you
  Dm     Bb          C                   Bm    A    G    A    Bm    A    G
Heeeyyy little liar I believed in you

Bm          A               G
  A simple question makes you look away
Bm          A               G
  Your hesitation gives it all away
Dm                    Bb          C
  There s some protection in the way you move
            Dm              Bb
  If there s sadness in my eyes
        C
  It s coming from your lies

  Dm    Bb          C
Heeeyyy little liar I believed in you
  Dm    Bb          C
Heeeyyy little liar I believed in you
  Dm   Bb          C                   Bb      C
Heeeyyy little liar I believed in you
               Dm
  I believed in you

  Dm      Bb     C      x4

Bm             A               G
  You want to sleep with me but payback s tough
Bm             A               G
  Why don t you call me when you re all grown up
Dm                    Bb                 C
  If there s a change in you I ll know it s true
  Dm          Bb     C
  Hey little liar
                   Dm     Bb     C
  I believed in you
                   Dm     Bb     C
  I believed in you
                   Dm     Bb     C
  I believed in you
                   Dm     Bb     C
  I believed in you
                   Dm     Bb     C
  I believed in you
                   Dm     Bb     C
  I believed in you
                   Dm     Bb     C
  I believed in you
```

```
                 Dm      Bb      C
I believed in you
                 Dm      Bb      C
I believed in you

Em    C    D   (until the end of the song)

                 Dm      Bb      C
I believed in you
                 Dm      Bb      C
I believed in you

Em    C    D   (until the end of the song)
```
