

## Ladder

Joan Osborne

**Em**            **D/F# G C+9 Am**  
Today and ever-y day,  
**Em**            **D/F# G C+9 Am**  
Today and ever-y day  
**Em**            **D/F# G C+9 Am**  
Today and ever-y day,  
**Em**            **D/F# G C+9 Am**  
Today and ever-y day  
**Em**            **D/F#**                    **G**  
I m standin here in your closet,  
**C+9**            **Am**  
Unbuttonin all your clothes  
**Em**            **D/F#**                    **G**  
You sleep in your bed tonight,  
**C+9**            **Am**  
But i never find you home  
**Em**            **D/F#**                    **G**  
You re givin me crooked answers,  
**C+9**            **Am**  
I m crackin your little code  
**Em**            **D/F#**                    **G**  
I m learnin another language,  
**C+9**            **Am**  
So full it s about to explode

BRIDGE:

**Em** (vamp)  
You give me a ladder now  
I surely believe I ll climb  
It don t even matter now  
I m willing to take my time

CHORUS:

**Em**                            **D/F# G C+9 Am**  
I m gonna love you anyway - - hey-ay.  
**Em**            **D/F# G C+9 Am**  
Today and ever-y day,  
**Em**            **D/F# G C+9 Am**  
Today and ever-y day  
**Em**                            **D/F# G C+9 Am**  
I m gonna love you anyway - - hey-ay.  
**Em**            **D/F# G C+9 Am**  
Today and ever-y day,  
**Em**            **D/F# G C+9 Am**  
Today and ever-y day

VERSE:

**Em**                    **D/F#** **G**

I wanted it to be easy,

**C+9**                    **Am**

I know that i ll make you tired

**Em**                    **D/F#**        **G**

Some tell me you re slow and lazy,

**C+9**                    **Am**

Some tell me you re so inspired

**Em**                    **D/F#**            **G**

You wanted a long flirtation,

**C+9**                    **Am**

Your plane doesn t ever land

**Em**                    **D/F#**        **G**

Some things i don t want to look at,

**C+9**                    **Am**

I don t want to understand but

BRIDGE:

Em (vamp)

You give me a ladder now

I surely believe i ll climb

It don t even matter now

I m willing to take my time
