Open The Doors

Verse:

E	C#m
Open the doors	Open the doors
A	E
Open the doors	and bring us in

Chorus:

A
We want to hear thunder and lightening, the rumbling of voices
E
We want to see angels and creatures and rainbows of color
A
We want to smell incense burning the fragrance of Jesus
E
We want to feel water and fire and swirlings of glory

Outro:

F#m E A	F#m E A
Not by might	Not by power
F#m E A B	
But by your Spirit	

The Verse is done in a slow, almost swaying strum and mood. 2-4 times before going into Chorus with pairs of down beat strums, thunder, lightning, kind of hard to explain, but you've heard the song, then it's a piece of cake! Chorus is best done in bar chords in E while verse and... outro, are done best in standard form chords when Please send me a message if you want me to correct something :D
