

Cosmia

Joanna Newsom

Finally, here is Cosmia by the Great Joanna Newsome. This is my favorite song by her and I waited forever for it lol. So I decided to make it myself. These Are the chords (I would Suddgest using mostly bars), and I am working on tab, but it is extremely! hard on guitar. When I finish, I will post that too. For now, Enjoi! (By the way, if I an x where the chord should be, it means play nothing)
