D **G** **A** **D**
Oh where is your inflammatory writ
G **A** **D**
Your text that would inside a light be lit

Our music deserving devotion unswerving

Cried do I deserve her with unflagging fervour

G **A** **D**
Well no we do not if we cannot get over it

GMaj7 **Bm**
But whatâ€™s it mean when suddenly weâ€™re spent tell me true

GMaj7 **Bm**
Ambition came and reared itâ€™s head and went far from you

GMaj7
Even molluscs have weddings though solemn and leaden

Bm
But you dirge for the dead and take no jam on your bread

D **G** **A** **D**
Just a supper of salt and a waltz through your empty bed

F **A**
And all at once it came to me

Bb **F**
And I wrote in hunch til 4:30

Cm **Gm** **A** **D**
But that vestal light it burns out with the night

G7 **Dm**
In spite of all the time that we spent on it

Bb **F**
On one bedraggled ghost of a sonnet

G **D**
While outside the wild boars root

Bm **A**
Without bending a bough underfoot

C **G**
Oh it breaks my heart I donâ€™t know how they do it

So donâ€™t ask me

D **G** **A** **D**
And as for my inflammatory writ

G **A** **D**
I wrote it and I was not inflamed one bit

GMaj7

Advice from the master derailed that disaster

Bm

He said hand that pen over to me poetaster

GMaj7

While â€˜cross the great plains keening lovely and awful

You ulate the lost great American novels
