

On A Good Day  
Joanna Newsom

-CAPO ON THE 3RD FRET-

**G** **Em** **D** **G**  
Hey hey hey, the end is near!  
**Em**  
On a good day,  
**Am** **D** **Em**  
you can see the end from here.  
**G** **Em**  
But I won't turn back, now,  
**D** **Em**  
though the way is clear;  
**G** **Em** **D** **G**  
I will stay for the remainder.

**G** **Em** **D** **G**  
I saw a life, and I called it mine.  
**Em** **Am** **D** **Em**  
I saw it, drawn so sweet and fine,  
**G** **Em** **D** **Em**  
and I had begun to fill in all the lines,  
**G** **Em** **D** **G**  
right down to what we'd name her.

**G** **Em** **D** **G**  
Our nature does not change by will.  
**Em** **Am** **D** **Em**  
In the winter, round the ruined mill,  
**G** **Em** **D** **Em**  
the creek is lying, flat and still;  
**G**  
it is water,  
**Em** **D** **G**  
though it's frozen.

**G** **Em**  
So, cross the years,  
**D** **G**  
and miles, and through,  
**Em**  
on a good day,  
**Am** **D** **Em**  
you can feel my love for you.  
**G** **Em**

Will you leave me be,

**D Em**

so that we can stay true

**G Em D G**

to the path that you have chosen?
